

## Death Record Amendment Packet

Any corrections or additions to a death record require an amendment when the changes happen after a death certificate has been purchased OR after a year has passed since the death. Within one year of the death, informants — the people who provided death record information to the funeral home for the decedent — may request changes to the death record without any supporting documents. Fill out the form below to request an amendment to a Minnesota death record.

Indicate the information you want to amend in the section of the form shown below. Check the appropriate boxes to show which items are wrong or missing. Write the correct information in the right-most column.

If you want to change:

- *Cause or manner of death* contact the medical certifier named on the death certificate. The medical certifier or the medical examiner in the county of death must approve requests to change the cause or manner of death.
- *An item not shown on the death certificate*, complete the row titled ITEM(S) NOT LISTED ABOVE.

### Supporting documents

Amendments require supporting documentation. You must provide at least one supporting document to add missing information or at least two to change existing information on a death record. You may need to give us more than one document depending on what you want to amend and what your document shows. **We will return your original documents when we finish processing your request.**

**Each document must:**

1. Show the item you want to add or change *exactly as you want it to appear on the death certificate, AND*
2. Show at least two items that match what is on the death certificate already *that you are not asking to have changed.*<sup>4</sup>

Documents need to show at least two items from this list:

- subject’s last name
- subject’s date of birth
- subject’s place of birth
- a parent’s name
- a parent’s date of birth
- a parent’s place of birth

| Documents must be | What does this mean?  |
|-------------------|---|
| Legible           | We can make out the letters and words; the document is sharp – not blurred or smeared   |
| Unmodified        | No erasures: nothing crossed out; no correction tape or fluid   |
| Original          | No copies – must provide, for instance, actual passport or certificate of naturalization  |
| Certified         | Birth, death or marriage certificates, military discharge forms, and court orders must be issued by a government office. Certified documents usually have a stamp or seal on them   |
| Authenticated     | Authenticated means an employee from the place giving you the copy <i>declares in writing</i> that the document is a true and exact copy of the record on file. At minimum, the document must list the name and address of the organization, and an employee of the organization must sign and date it. |
| In English        | Documents must be in English or translated into English. A qualified translator must translate the document and sign it in front of a notary public.  |

**Acceptable supporting documents**

The Office of Vital Records accepts the document listed below and may determine other documents are acceptable. Documents must meet all the requirements above and support the requested amendment.

- Certified (government issued) copy of a marriage certificate
- Certified copy of a birth certificate
- Divorce decree
- Notarized statement from a person who was present at the death and can verify the accuracy of a requested change to the date or place of death

## DEATH RECORDS AMENDMENT REQUEST

- Legal description of the place of death, for example, a deed or property tax statement
- Certified court orders from a U.S. court that instruct a registrar to make the requested change and:
  - Show the decedent's name as it currently appears on the death certificate
  - Specify the decedent's date of death or date of birth
  - List how the item(s) appear on the death record *before* the amendment
  - List how the item(s) should appear on the death record *after* the amendment

If the court-ordered changes are the only changes you want, you do not need to send us any other documents. Our office can only make changes that the court order specifies. If you are requesting changes *that the court order does not instruct our office to make*, you must give us other documentation.

### Please note

- Fees are not refundable.
- To request an amended death certificate, visit the [Death Certificates page](#) on our website or visit a [county vital records office](#). Death certificates are issued only to individuals who are eligible under the law.
